LEHIGH STANDARD BROWN,

Prize Medal
AWARDED BY
American Institute,
1869.

MANUFACTURED BY

Lehigh Metallic Paint Works

PURE IRON OXIDE. PURE IRON OXIDE.

165 PEARL ST., New York.

We desire to call the attention of the Wholesale Trade to our Brand of Metallic Paint, made by a new and peculiar process of our own, by which we are enabled to *extract thoroughly all* the *Sulphur* from the ore, *never before achieved*. Manufacturers of drab colors, light browns, dark yellows, &c., and grinders in oil, will find our shade to be the best and most economical *base* for mixing, known to the trade. For general *Rail Road Work, Car Builders', Roofing*, and *Iron Work*, and *Farm Work*, it is the handsomest and cheapest Brown Color made. For *priming on all outside* work and for Carriage Builders, it is fast taking the place of *White Lead* and *English Fitling*. We guarantee a saving of *Oil of* 20 *per cent.* with our color, as compared with Ochres or Earth Paints. Desiring to control the Trade in this kind of Paint, we are manufacturing upon a large scale, and are offering it in 5, 10 and 20 Ton lots, at 25 to 40 per cent. lower rates than this quality has ever been sold. We guarantee satisfaction equal to the best known to the Trade, *or no sale.*

Put up in 100 lb. kegs, 300, 400 and 500 lb. barrels. A reference to the R. R. Co.'s and celebrated Mfg. Firms below, may indicate the purity and excellence of our Brand over other brands in market.

Price by Single Ton, $50, or 2½c. per lb.

A Liberal Discount by Quantity.
